#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

## REPORT NO. PA 13 OF 2008 - UNION GOVERNMENT PERFORMANCE AUDIT OF NATIONAL PROGRAMME FOR NUTRITIONAL SUPPORT TO PRIMARY EDUCATION (MIDDAY MEAL SCHEME)

This Report contains results of performance audit of National Programme for Nutritional Support to Primary Education (Midday Meal Scheme) of the Ministry of Human Resource Development. The important audit findings are:

- Even after more than a decade of running the programme, there is a lack of clarity regarding the objectives to be achieved by the scheme. There was a qualitative shift in the focus of the Scheme in September 2006 from education (with its emphasis on enrolment, learning levels and attendance) to nutrition and health.
- Ministry had not assessed the impact of the programme in terms of increase in enrolment, attendance and retention levels of children. The data collected from schools selected for audit did not disclose any definite pattern in enrolment, attendance and retention levels of children over the years.
- The Ministry has been unable to establish a system of reliable data capture and reporting by the states. Many states resorted to over-reporting of the enrolment while projecting the requirement of funds. There was no system of cross checking the data of enrolment furnished by the State Governments.
- One of the objectives of the scheme was to positively impact the nutritional and health levels of primary school children; which was the main objective of the revised scheme in September 2006. The Ministry was yet to collect data on the nutritional status of children covered under the midday meal scheme. Nor were linkages with the Ministry of Health and Family Welfare for the health checks prescribed under the scheme followed up by the Ministry. In most states the children were not administered micro nutrient supplements and deworming medicines.
- The audit of the implementation of the scheme countrywide displayed weak internal controls and monitoring. The provisions for programme evaluation and regular monitoring and inspections in the scheme design, were not effectively followed nor the results analysed for review of errors and introduction of changes on the basis of lessons learnt. The steering and monitoring committees set up by the Ministry to monitor the scheme at national and state level did not meet regularly. While at the national level, the committee met only twice since its inception in 2005 against the scheduled five meetings, the states fared even worse.
