

#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

STICK WELDERS

AC-225

The AC-225 compact stick welder has a broad welding envelope range of 60-225 amps. It includes an extremely smooth AC arc for welding a wide range of materials including carbon, low alloy, and stainless steels. It has 100 amp, 100 volt, 18 gauge and features can be easily switched with the AC-225.

Applications include repair and maintenance welding, fabricating of machinery, equipment, building tools or fixtures, build-up welding on worn parts or dies, and building-up tips or worn parts for longer service life. Also for cutting and gouging holes in steel.

Processes	Description
Stick	Output Input

Advantage Lists

- Easy to install. Comes with attached 6 ft. 3/4" rigid input power cable and 100 amp plug.
- Easy to operate. Full range AC-225 amp selector switch. Setting any the welding current and electrode holder on each and every time you weld.
- Traditional design provides long life and low load operation.
- Compact size allows for easy storage and handling.
- Designed and tested to meet all different electrodes, including mild steel, low hydrogen, stainless steel and other electrodes.
- 120 amp AC output through the 200 amp circuit breaker. General purpose mild steel electrode and 50P (60 amp) electrode or other electrodes.
- Optional carbon arc welding torch for heating and welding applications. See separate data for more details and for details on shipping/weight.
- Fans cooled for extra thermal protection.
- Heavy metal mesh bottom supports cables and joints out of the case.
- Positive gear shift for increased durability.
- 100% steel die cast.
- U.S. made and CSA approved all the world.
- 3 year warranty on parts and labor.
- Manufactured under a quality system certified to ISO 9001 requirements.
